

# RiderPortal

## How To

### Easily request rides from your computer or smartphone

- ◆ Call NCAT to request an invite to the Rider Portal. A valid email address is required and an "Invitation" will be sent to that email.

Accept Invitation

- ◆ Accept invitation and create an account. Once account is created rider will be able to login to request a ride. Follow prompts to set up ride.

**Don't forget your return ride**

### Information Needed When Scheduling Rides

- Date & Time of arrival drop off and return pick up
- Pick up and drop off address
- Any special information we would need to know about your ride

You do not currently have any requested rides.

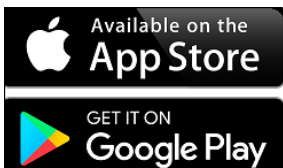

Request a New Ride

Submit Request

- ◆ All rides will be reviewed by NCAT staff. An email will be sent to the email provided once the ride is Accepted or Denied. You are able to view your rides by selecting "See My Ride" in the email received.

Computer users go to [www.requestmyrides.com](http://www.requestmyrides.com)

Smartphone users download CTS Rider Portal
